Ashu Furnitures – E-Commerce Website

Overview: This project is a Laravel-based e-commerce furniture shop demo, created as part of the Kanha Creation internship technical assignment. It showcases a clean, fully functional shopping experience similar to Nilkamal Furniture, including product listing, details, cart, coupon, and checkout.

Features

- Product listing page (grid view)
- Product detail page
- Add to cart, update quantity, remove, clear cart
- Cart icon with badge (shows count, hidden on cart/checkout pages)
- Coupon code support (apply discount)
- Checkout form with summary
- Responsive design (mobile & desktop)
- Modern, clean UI with Bootstrap 5
- Easy to extend for admin/product management

Demo

Live site can be provided if hosting is available
